Dear Mr Fogarty

I refer to your letter dated 3 June 2007 addressed to the President of the Tribunal, Justice Garry Downes, in which you again raise your concerns about the Repatriation Commission and the Veterans' Review Board. I am responding on the President's behalf.

You should, by now, have received a copy of the President's response to your previous correspondence. While noting the content of your additional letter, the President does not believe there is anything useful he could add to his letter dated 30 May 2007.

I regret that the Tribunal cannot be of further assistance. Please note that any further correspondence canvassing the same matters will be noted and placed on the file.

Yours sincerely
