Dear Mr Fogarty

Thank you for your letter of 16 September 2007 to the Governor-General concerning government involvement in legal matters, particularly in relation to the Department of Veterans' Affairs and the Repatriation Commission.

General Jeffery appreciates the time and trouble you have taken writing to him about these matters which he understands have caused you great concern. However, I am sorry to disappoint you but it is not possible for the Governor-General to become involved in issues such as these. May I suggest if you wish to pursue these matters further that you seek legal advice.

Thank you once again for writing to the Governor-General.

Yours sincerely
